TITLE 15. BOARD OF STATE AND COMMUNITY CORRECTIONS

Pursuant to Welfare and Institutions Code Sections 210 and 885, the Board of State and Community Corrections (BSCC) is providing notice of changes made to the proposed regulations that were the subject of regulatory hearings held on December 5 and December 19, 2012.

All changes in the attached proposed text of the regulations are indicated with single underline and single strikeout. These changes have previously been noticed to the public, with the exception the following changes:

1. The term “minor” has been changed to “youth” in Section 1370, Education Program.
2. The BSCC is updating the reference and authority citations for each regulation to ensure consistency and proper reference to enabling statutes.

The BSCC is also making the following documents available for public review:

1. The Economic Impact Assessment (EIA), pursuant to Government Code Section 11346.3(b)(1). The BSCC is adding this document to comply with this requirement.
2. The document entitled “Supplement to the Initial Statement of Reasons.” This document contains additional information to add clarity to the purpose/problem/rationale for adopting/amending/repealing regulations pursuant to Government Code Section 11346.2(b)(1) and California Code of Regulations, Title 1, Section 10 (b), and is available for review.

Also included in this notice are two documents that were relied upon during the rulemaking process:

1. To adopt Section 1329, Suicide Prevention Program, the bulletin, “Characteristics of Juvenile Suicide in Confinement,” published by the Office of Juvenile Justice and Delinquency Prevention was relied upon when developing this regulation. The document can be located at the following website:
<https://www.ncjrs.gov/pdffiles1/ojjdp/214434.pdf>
2. To adopt modifications to Section 1432, Health Appraisals/Medical Examinations, the recommendations of the American Congress (formerly College) of Obstetricians and Gynecologists were relied upon, using the document “Frequently Asked Questions (FAQ085): Cervical Cancer Screening”, located at:
